

What is the AFSCME Free College Benefit?

It's a program exclusively for AFSCME members and their families to take classes online through Eastern Gateway Community College in Ohio. You can earn credits toward a two-year associate degree. It's free and flexible. The online format allows you to work from wherever and whenever. You can transfer your credits to four-year programs at most institutions. To learn more and to apply, visit:

freecollege.afscme.org

Learn how the AFSCME Free College benefit works.

Public service isn't just a job. It's a calling. The AFSCME Free College benefit recognizes your day in, day out commitment to your community. Through AFSCME Free College, you and your family members can earn an associate degree online from an accredited community college — with no out-of-pocket costs to you.

And the process is simple.
